

My name is Lois Malone; I am married with 5 children and have lived in the Houston area for most of my life.

I am the Broker-Owner of Lois Malone Realty. I sponsor 13 agents and our business is a mixture of fair market and REO properties. I began real estate in 1994.

I discovered quickly that I enjoyed working with people and helping them achieve one of their dreams as a home owner. I pride myself in equal treatment for all regardless of location, price of home, etc. I truly listen intently to learn exactly what it is that they want and proceed from there. My clients become my friends and I value that.

Throughout my career I have obtained numerous designations in real estate striving to make myself the best I could be. My designations are ABR, CRS, e-Pro, GRI and PMN.

I currently hold the position of WCR Houston 1960 President, ambassador for the CY-Fair Chamber of Commerce, a member of HIREBA, and work with charities such as Reach Unlimited, Habitat for Humanity as well as Boys and Girls Country.
