3 BEDS, 3 FULL & 1 HALF BATH(S)

Houston moves fast. Here, it doesn't have to. On the 4th floor, a private terrace opens to Downtown skyline views. Morning coffee above the city. Evenings with the lights stretched out in front of you. A layout that gives everyone breathing room. Secondary bedroom downstairs offers privacy for guests or roommates. Another bedroom has its own bath- no sharing, no compromise. The primary suite is generous and tucked away when you need to unplug. And with no HOA, you have a level of freedom that's rare in Midtown. Step outside and you're minutes from Houston's best restaurants, bars, and everyday essentials. Walk to dinner. Meet friends. Say yes more often. The real luxury here isn't just the location. It's having your own elevated retreat in the middle of it all.
