3 BEDS, 1 FULL BATH(S)

Located at the end of the dead end Plum Acres Lane, you will find this unique, 70+ year old, farmhouse style home. Recently renovated to include: foundation set up, roof, wiring, plumbing, windows, hardi-siding, drywall, exterior doors, IKEA kitchen cabinets, butcher block counter tops, refinished woods floors, tankless H2O heater, and dishwasher. Fridge and range stay. The second story is bright, open, and full of charm. At least 3 rooms could be separated out upstairs, if you so desire. Use armories for closets or add them along with an upstairs bath. Plenty of room for all of that. Renovations kept the "farmhouse" charm intact. There is even a claw-foot tub/shower in the bath. This area is serviced by a public water system and has no deed restrictions. Bring your chickens, animals, and enjoy. There is a wooden back deck, cinder-block fire ring, and lots of wildlife in the small acreage woods. Come check it out and fall in love with this quaint gem.
