Modern architecture meets inspired design in this Silvan Homes residence in Camp Logan with direct access to Memorial Park. First-floor living features expansive sliding glass doors and a luxury kitchen with high-end appliances, quartzite countertops, and seamless indoor-outdoor flow. White oak floors, crisp finishes, and integrated LED lighting define the modern interior. The third floor functions as a private owner's retreat with a primary suite offering a spa-inspired bath, custom closet, floor-to-ceiling windows, and a vaulted veranda overlooking Memorial Park. A secondary bedroom with en-suite bath on this level, currently styled as an office, enhances the full-floor suite experience. A second primary suite on the second floor adds flexibility.
