COUNTRY HOMES/ACREAGE,

REDUCED!!!! This approximately 238 acre property is located one mile northeast of downtown Kenney, Texas. This property was originally marketed as 191 acres. The acreage has been increased in order to provide an additional entrance option from Kiemstead Road. The property is gently rolling with heavily wooded branches meandering around and through the property. There are numerous home sites featuring dynamic views of the countryside while providing a refreshing air of privacy. Four ponds are located on the property. An abundance of wildlife roam throughout the property on a regular basis.
