15819 MAPLE MANOR DR, HOUSTON, TX 77095

4 BEDS, 2 FULL BATH(S)

Love the location especially the proximity to the Fiest Elementary School, the easy access to stores and the neighborhood and lot have beautiful, old trees, a park and sidewalks. Very cozy. The home has a drive that goes to the rear for the garage access, stairs in the front and back. In the front, the stairs lead inside to a landing. If you go downstairs, on the left there is a living area, and the primary bedroom with ensuite and an Endless pool off the bedroom. If you go to the right at the bottom of the stairs is a wet bar and access to the garage. Coming in and upstairs there is an open living/dining area to the left and the kitchen with the laundry area and the screened in sunporch. To the right of the stairs is a full bathroom with double sinks and a door gives privacy to the bath and commode area and 3 more bedrooms. A wonderful home. Come see.
