Investor's dream in Northside! This property is being sold at lot value only—AS IS with no disclosures—and features two combined lots, offering excellent potential for redevelopment or new construction. With no MUD tax, no HOA dues, and a low tax rate, it's a rare opportunity to maximize returns in a rapidly transforming area. Just steps from the Metro Light Rail and minutes from Downtown, the Medical Center, UH, the Museum District, and major freeways, this prime location is perfectly positioned for growth and investment.
