3 BEDS, 2 FULL & 1 HALF BATH(S)

Heights home that gets it right: first-floor living, a private driveway, and a layout buyers are looking for. Light-filled spaces with soaring 12-foot ceilings, wood floors throughout (no carpet), and motorized shades define the main level. The quartz island kitchen opens seamlessly to the living room with fireplace, coffered ceiling, and built-ins. Upstairs, the primary suite offers a sitting area and marble bath, along with two additional bedrooms and a spacious game room. A covered patio and turfed backyard framed by crepe myrtles create easy, low-maintenance outdoor living. Secured entry, attached two-car garage with EV charger, and tankless water heater complete the home. Elevator capable. Just moments from local coffee shops and the hike-and-bike trail.
