COUNTRY HOMES/ACREAGE,

These kind of open land properties are hard to find in this area so don't miss out on the opportunity to own this size tract of open space that can be used for many uses such as cattle, hunting, fishing, recreation or residential. This property is located on a dead-end road with no thru traffic. There is public water and electrical service already on the property and ready for home or RV hookup. There is a large 50'x60' barn that is perfect for storage of farm equipment or recreational vehicles. The property is mostly fenced but some fencing may be needed on the back side near the creek that runs the width of the property near the back side. There is available livestock water available with one pond and small lake near the creek area and fishing is also available for those who enjoy.
