11711 MEMORIAL DR #659, HOUSTON, TX 77024

2 BEDS, 2 FULL & 1 HALF BATH(S)

An elegantly updated residence overlooking the pool, this refined 2-bedroom, 2.5-bath home offers a seamless blend of comfort and sophistication. Rich Caribbean Walnut engineered hardwoods, interior paint (2026), plantation shutters, and a wood-burning fireplace create a warm yet elevated living space. The kitchen is thoughtfully appointed with granite countertop, stainless appliances, pantry, and Travertine flooring. The primary suite serves as a private retreat, featuring a balcony, bespoke Elfa closet (2025), and an updated spa-inspired bath (2023) with Hydrosystems soaking tub, frameless glass shower with Coco Canvas matte tile surround in herringbone pattern and Arctic white brushed hex flooring, dual sinks, and marble finishes. A fenced patio with herringbone tile extends the living outdoors. Situated within a gated community with guard and resort-style pool, moments from premier shopping, dining, and major corridors.
