14215 SPRING VALLEY DR, CONROE, TX 77303 4 BEDS, 2 FULL BATH(S)

With 1,684 square feet, the Cabot plan is a functional design with a modern touch. The functional use of space makes the Cabot easy to live in, but the modern open design makes it fun too! Combined formals and a peninsula kitchen create a central living area, promoting togetherness. A private primary suite located in the back of the home, separate from the other secondary bedrooms, still offers the privacy everyone needs.
