

The Bosch Refrigerator is the beginning of an entirely new home-coffee experience, one usually reserved for Italian cafes or coffee houses. With just the push of a button, you select the coarseness of your grind and the size of your coffee, from a small espresso to an extra-large coffee. And all this performance comes in a completely integrated unit with handsome steel

The new 8001-40" Gas Range, still the most-customizable range in the Wolf family, now with an updated design, new product features and enhanced performance.
