3 BEDS, 2 FULL & 3 HALF BATH(S)

Are you looking for a unique opportunity to lease this well-known property that was once owned by the legendary Dusty Hill of ZZ Top? Here is your chance! The current owners have plans to restore the main house in the future, but in the meantime have restored the more than 7000 square foot custom guesthouse. With multiple recreational spaces, and an apartment that features a chef's kitchen with a massive owners' quarters with spa like bathroom that can be closed off from the main section of the guest house. Car enthusiast will love the oversized 3 car garage. So many possibilities for this space! Live in one section and use the other space for your business as this location can go either residential or commercial!! I am thinking there were some EPIC gatherings that took place on this property, if only the walls could talk!!
