4 BEDS, 2 FULL & 1 HALF BATH(S)

This 4 bedroom, 2.5 bath home is tucked away in an established neighborhood. Inside, you'll find wood flooring throughout the main living areas, a cozy fireplace, and thoughtful updates that make the space feel fresh and welcoming. The remodeled galley-style kitchen features wood cabinetry, stainless steel appliances and a dining area with incredible backyard views. There's also an eat-in breakfast space with easy access to the patio, plus a convenient half bath downstairs for guests. Fresh paint throughout gives the home a bright, updated feel from the moment you walk in. All of the bedrooms are upstairs for added privacy, including a spacious primary suite with its own ensuite bathroom and walk-in closet. Three additional bedrooms share an updated full bathroom, and the laundry room offers plenty of extra space for storage and keeping everything organized. The backyard is easily one of the standout features of this home. Fully fenced and shaded by mature trees, it offers plenty of room to relax, entertain, or just enjoy some quiet time outdoors. With both a brick patio and a wood deck, there's space for everything from weekend gatherings to morning coffee. The garage also includes plenty of additional storage, making this home as practical as it is inviting. Contact us today to schedule your showing.
