3 BEDS, 2 FULL BATH(S)

This single-family residence offers an inviting home ready to welcome its residents. The living room serves as the heart of the home, offering a space to gather and unwind, with a rock fireplace that promises cozy evenings and where the vaulted ceiling enhances the sense of spaciousness. The primary bedroom provides a private retreat with the convenience of an ensuite bathroom. This property features three bedrooms and two bathrooms, along with the practical convenience of a laundry room, a one-car garage. There is also a hobby room with an office area off to the side for additional space. And an additional one car garage/workshop in the back yard. The fenced backyard and patio create an outdoor living space, complemented by a fire pit for memorable gatherings. This property presents an opportunity to embrace comfortable living with its blend of functional features and inviting spaces.
