This home has considerable potential. It sits on a half-acre, spacious corner lot just outside of Bastrop! A 3-bedroom, 2-bath home offers a peaceful setting in a non-HOA neighborhood. The large lot offers ample space to create your ideal outdoor oasis. With renovations such as paint, flooring, and appliances, this property could be a wonderful primary residence or investment opportunity. This property was a foreclosure and will require work. However, upon a remodel, it will be a great investment in the end due to the neighborhood.
