127 FAIRGROUNDS ROAD, REFUGIO, TX 78377

Great opportunity for investors and business owners seeking an expansive flex-space. Previously used as a bowling alley and entertainment venue, this property has a great amount of potential and development possibilities. As you walk in the property, you will find an open floor area where bowling lanes previously were along with 4 bathroom stalls, an office in the front plus section for kitchen. The sprawling main floor provides a seamless flow for large-scale events. Externally, the approximate 1.5 - acre site provides significant parking capacity on a paved asphalt lot and plenty of green space for outdoor expansion or secondary structures. This property offers the scale and functional versatility required to anchor a new business venture. An investment here is an investment in a community with a strong sense of local identity.
