Wow! This lively aviation community on the beautiful Lake Palestine, established in 1984, is a gem. The well-maintained grass runway stretches 3,100 feet long and 60 feet wide, perfect for takeoffs and landings. The shared lakefront is stunning, with plenty of trees, two boat docks, a beach, and picnic tables. An active EAA Chapter keeps the camaraderie strong among pilots and their spouses, and every May they host their much-anticipated annual fly-in.
