503 N 5TH ST, HASKELL, TX 79521 5 BEDS, 3 FULL BATH(S)

Located on one of Haskell's most desirable streets, this versatile multi-use property offers outstanding potential for a residence, investment, or redevelopment opportunity. The substantial brick home features up to five bedrooms and three bathrooms, with generous entertaining spaces that include a formal dining room with a fireplace, additional dining area, open kitchen, optional den, two bonus rooms, and a bright south-facing sunroom ideal for relaxing or hosting guests. While the property does need some TLC, it presents a rare opportunity to restore a former showplace and add significant value through renovation. Additional features include an attached carport, cellar, oversized lot, and a second lot just north of the main property—perfect for a smaller additional home, rental, or future development. With flexible use options and endless possibilities, this is a standout opportunity in the heart of Haskell.
