Many upgrades on this one including metal roof with extended 12' deck coverage, stocked pond, aerobic septic system, tankless water heater and HVAC (2022), vinyl plank throughout - no carpet, newer kitchen appliances, and an abundant amount of storage rarely found! Beautiful kitchen equipped with large island adds storage, work and dining space and is the perfect spot to host family and friends. Spacious living room with gorgeous built ins for style and function. Large primary retreat with ensuite boasting dual vanities and sinks, dual walk in closets, soaking tub and separate shower. Split bedroom floor plan with secondary bedroom on opposite end of home with close access to additional full bath. What was originally a third small bedroom has been transformed into a huge storage space with shelving and plenty of room to house a desk for cozy home office. Another portion of this revitalized space constructed to make giant walk thru pantry. An additional custom touch on this home is the cedar trim installed throughout the entire home adding beauty to every room and matching the cedar ceiling on outside deck. Enjoy the 12X40 covered deck overlooking backyard, stocked pond and gazebo. Additional covered area with gravel and pavers provides a great place for equipment, workspace or place to play in the shade.
