Take a look at this single-story San Antonio rental home. A wall of windows allows sunshine to illuminate the living room. The living room's fireplace keeps you cozy on chilly winter nights. An island with stone-look countertops facilitates the preparation of fresh ingredients. Modern appliances round out the chef's kitchen. A modern light fixture and a double-wide window brighten your dining room table. Use the dining room's sliding glass doors for easy access to the tree-lined and fenced backyard.
