Under Construction Now and 80% Sold! The Fairview Plan is built to emulate a single-family ranch style home you'd expect to find far outside of Houston. With 11' Ceilings in the Living, Dining, Family, Kitchen and Master Bedroom open the already enormous space even further. The oversized balcony measures (25x9) and can be outfitted with an optional gas grill. An (11x7) flex space off the Dining Room, (16x24) Master Closet and (17x18) Master Bedroom are just a small sample of this home's great features. Wolf and Sub-Zero standard appliances with Gas Cooking, Optional Gas Fireplaces and you can bring your full-sized washer and dryer with you! This home faces North across River Oaks Proper.
