SINGLE-FAMILY, 3 BEDS, 2 FULL & 1 HALF BATH(S)

Meet the Cheyenne floorplan by Ashton Woods, a thoughtfully designed one-story home that blends comfort, style, and effortless livability. The single-level design offers both convenience and sophistication, with well-appointed spaces that make everyday living and entertaining feel easy and inviting. This home features the Artison 2.0 collection, where earthy tones and artfully mixed textures take center stage. Inspired by bohemian touches and easygoing finishes, the design brings a sense of warmth and authenticity to every room. The result is a look that feels inventive, comfortable, and real, creating the perfect backdrop for gathering with friends or enjoying a quiet night in. Located in Angleton's first master-planned community, residents can enjoy access to an onsite amenity center, along with the added convenience of an onsite elementary and middle school, making it an ideal place to live, grow, and thrive.
