Please see the floorplan. The home looks great. We love the new interior paint, and you will love the location. The home is close to Fiest Elementary School, stores and restaurants, & the neighborhood has beautiful, old trees, a park & sidewalks. The driveway goes around to the rear for the garage access, and there are stairs to the house both in the front & back. In the front, the stairs lead inside to a landing. Once inside, if you go downstairs, on the left there is a living area with a fireplace and adjacent to the living area is the primary bedroom with ensuite and an enclosed patio with an Endless pool. If you go to the right at the bottom of the stairs where there is a wet bar, there is access to the garage. Coming in, upstairs there is an open living/dining area to the left and the kitchen with the laundry area and the screened in sunporch. To the right of the stairs is a full bathroom with double sinks and 3 more bedrooms. This is a wonderful floorplan and location. Come see.
