SINGLE-FAMILY, 3 BEDS, 2 FULL BATH(S)

She's lived a full life and she's not sorry about it. Welcome to 7007 Avenue F — a big, bold, all-brick beauty planted on four lots in Houston's buzzing East End Revitalized neighborhood, just waiting for the visionary who sees past the avocado-green vibes and into the absolute goldmine beneath. At 2,543 sq ft, this 3-bed, 3-bath ranch-style stunner has more square footage than your excuses for not updating her sooner. The original wood cabinetry? Vintage. The aesthetic? Let's call it charmingly stuck in a decade that had great music. All of it is begging for your Pinterest board and a weekend at the hardware store. Ten-thousand square feet of lot means room to garden, expand, add a pool, or simply enjoy the luxury of not sharing a fence line with someone who mows at 7am. Minutes from Downtown, UH, the Medical Center, and the East End's ever-growing restaurant scene — the location is doing the heavy lifting so you can focus on the fun part: making her yours.
