Artesian Lakes is a nature-lovers private community located 65 miles from Houston. Drive through controlled-access gates to find multiple artesian-fed lakes surrounded by large privately owned lots. This home sits at the edge of a lake with a cove and wooded peninsula on a private 1.4-acre property. The single-story, 4 bed, 3 bath custom home features an open plan, hardwood and natural stone-tile floors, walk-in showers, custom cabinets, granite/stone counters, breakfast bar, and stainless appliances including a new refrigerator. New AC system installed. The attached 2.5-car garage accommodates a cart or UTV. Multiple windows flood the home with natural light and panoramic lake views. Step outside to enjoy lakefront living with areas kept in a natural state for local and migrating wildlife.
