SINGLE-FAMILY, 4 BEDS, 4 FULL & 2 HALF BATH(S)

Constructed with solid rock and engineered for durability, this home offers peace of mind along with stunning waterfront views. Geothermal heating and cooling provide exceptional energy efficiency year-round, while windstorm-rated windows and doors enhance both safety and comfort. Inside, you'll find large rooms, a chef's kitchen with custom cabinetry and upscale appliances, and hickory floors through the entire home. Step outside to a covered porch, balcony and boathouse – perfect for morning coffee on the patio or sunset evenings on the water. With a 5-car garage (including lift capabilities) and wired for a whole-home generator, this property offers flexibility for car enthusiasts, hobbyists, or multi-generational needs. This is more than a home – it's an investment in smarter living, lower long-term costs, and a lifestyle built around comfort, strength, and sustainability.
