## LOTS

Escape the city and enjoy fishing, boating, and true waterfront living on this Lake Houston waterfront lot with direct boat access. Fish from your own shoreline or launch a kayak or boat and explore the lake at your leisure. The property includes a 14×28 storage building, ideal for kayaks, canoes, fishing gear, and boating accessories—so you can simply arrive and enjoy the lake without hauling equipment back and forth. A pre-dug shoreline area for dry-dock boat storage adds even more convenience. This lot is well-suited for a weekend getaway, camping, short-term rental (Airbnb), or building a full-time waterfront home. Located just minutes from shopping, dining, and the airport, it offers the rare combination of peaceful lakefront living with city utilities, a low tax rate, and no HOA or maintenance fees. The property also has city water, electric, and sewer available. A unique opportunity to own waterfront property that's both practical and relaxing.
