FARM

28.15 Acres | Premier Hunting Ranch | Rocksprings If you've been searching for the ideal Texas Hill Country hunting retreat, this 28.15 +/- acre property in Rocksprings checks every box. Known as the "Deer Capital of Texas," this area is legendary for trophy game and breathtaking scenery—and this tract delivers both in spades. Perched among spectacular long-range views, the land offers rolling terrain, native brush, and natural cover that create an exceptional wildlife habitat. The property is home to abundant native and exotic game, including very large aoudad, whitetail deer, axis, blackbuck, turkey, and more making it a standout choice for a private hunting ranch or recreational escape. Adding to its appeal, the property has electricity already available, making it ideal for a hunting cabin, RV setup, or future improvements without sacrificing the rugged ranch feel. Located just approximately two hours from San Antonio, this ranch offers the perfect balance of accessibility and true Hill Country seclusion. Property Highlights: 28.15 acres of prime Texas Hill Country land Stunning elevated views and classic Edwards Plateau terrain Large aoudad plus abundant native & exotic wildlife Excellent hunting and recreational use Electricity available on the property Ideal for a private hunting ranch or weekend getaway Peaceful, private setting with easy access from San Antonio Whether you're looking to hunt trophy game, unplug for the weekend, or invest in quality Texas land with utilities already in place, this Rocksprings property
