Charming 3BR/2BA home located on one of Llano's most sought-after streets just two blocks from Main Street and the historic Llano Square. This rock-exterior Hill Country home features original wood floors, a cozy wood-burning stove, and rustic character throughout. The fenced backyard includes a greenhouse, perfect for gardening or outdoor enjoyment. Property also offers a separate one-car garage, carport, and an unfinished basement providing additional storage or future potential. Home needs updating but offers excellent opportunity to restore or customize in a prime walkable location. Rare chance to own a property with charm, space, and location in the heart of Llano.
