LAND / UNIMPROVED LAND

Escape the city and enjoy peaceful country living on this beautiful 5.12-acre property, offering the perfect blend of open space and mature trees for added privacy. The land is partially wooded, making it ideal for building your dream home, starting a small ranch, or simply enjoying the quiet surroundings. A mobile home is currently on site and will convey with the property. While it is not currently livable and does require repairs, it could present an investment opportunity or potential renovation project. Utilities are available at the road but are not currently connected on the property, offering flexibility for future development. With plenty of room for livestock, gardening, or future expansion, this property offers endless possibilities for those looking to create their own country retreat.
