RESIDENTIAL - SINGLE FAMILY, 4 BEDS, 2 FULL BATH(S)

This stunning home has it all! This home features 4 bedrooms, 2 bathrooms, open floorplan, tall ceilings, art niche, GREAT floor plan! The island kitchen features a walk in pantry, breakfast bar, 42 inch custom cabinets, with lots of counter space! The ensuite primary is huge -- room for a sitting area, really large furniture and a pretty wall of windows. The primary bath features dual sinks, separate shower, garden tub with a walk in closet. The 3 other bedrooms are split from the primary, with one currently used as an office. The one acre lot is perfect for gardening, adding a pool, or just room to roam! The backyard covered patio is extra large with a beautiful wood burning fireplace -- wonderful place to entertain or just relax. The 20x30 workshop is well insulated, has electricity with tall roll up drive through doors - perfect for your RV, hot rod, with tons of storage! There is also an attached carport. Check off all of your boxes and make an appointment to see this extremely well kept home today! (Disclaimer: All property information is deemed reliable but not guaranteed.
