RESIDENTIAL - SINGLE FAMILY, 3 BEDS, 2 FULL & 1 HALF BATH(S)

Nestled on just over 5 beautifully manicured acres dotted with mature trees and a tank, this stunning 3-bedroom home with the flexibility for 4 or more bedrooms offers everything you've dreamed of in peaceful country living. Step inside to a spacious open-concept design featuring expansive living, dining, and kitchen areas accented by gorgeous wood-look tile throughout. The living room showcases a unique fireplace design and a stylish wet bar with sink, making the space perfect for entertaining. The kitchen truly serves as the heart of the home, boasting an enormous wraparound granite countertop, abundant cabinetry, and a massive walk-in pantry. Built with entertaining in mind, this home offers both functionality and comfort. The split primary suite provides privacy and relaxation, complete with a luxurious spa-like bathroom featuring a separate walk-in shower, soaking tub, and oversized walk-in closet. Recent updates include: New downstairs HVAC in 2023, New upstairs HVAC in 2025, New windows and roof in 2023, New wire fencing enclosing approximately 3.5 acres in 2026. Outside, the property continues to impress with a massive workshop featuring an overhead door for easy drive-in access. There is also a large covered RV parking area equipped with electricity and water, plus additional covered parking ideal for vehicles, boats, or recreational equipment. This exceptional property perfectly combines comfort, functionality, and serene country charm. Bring your horses, cows, and chickens
