COUNTRY HOMES/ACREAGE, 4 BEDS, 3 FULL BATH(S)

In the rolling heart of the Texas Hill Country, just outside Junction, lies a ranch where the horizon stretches endlessly and the pace of life slows to something sacred. Perched amid sweeping scenic views, this unique Victorian-style 4-bedroom, 3.5-bath home stands as a timeless centerpiece—its upstairs and downstairs gazebos offering front-row seats to sunrises that spill gold across cross-fenced pastures. Covered porches invite long conversations and quiet mornings, while the in-ground pool—with its fountain and natural stone features—overlooks the land like a private resort carved into the countryside. Beneath vast skies, native flora and fauna flourish, and the rhythm of wildlife is ever-present: whitetail and axis deer moving at dusk, coveys of quail rising from the brush, turkey and dove passing through, and songbirds filling the air for the avid birdwatcher. Water is abundant with strong wells, and adventure waits just minutes away near the North and South Llano Rivers and So
