RESIDENTIAL LOTS

Agricultural/recreational tract in northern Howard County. Income-producing farm, with potential for future energy sectors. Approximately 257 acres in cultivation and 48 in native pasture. There have been several nice deer harvested in the past few years. Two surface tanks enhance the potential wildlife activity along with two solar wells. This property has 1/2 mile of frontage along the east side of CR 29 and 3/10ths of a mile frontage along the west side of FM 669.
