## SINGLE FAMILY, 5 BEDS, 4 FULL BATH(S)

Welcome to 5301 Othello, a stunning five bedroom, four bath home perfectly situated on a spacious corner lot in the highly sought after Three Creeks community. This home was designed with both comfort and functionality in mind. Downstairs, you'll find a dedicated office, two dining areas, and a spacious main living room. Upstairs offers an additional living space/gameroom, giving everyone room to spread out and enjoy their own space. With abundant storage throughout and a large three car garage, this home truly checks every box. The kitchen and bathrooms feature beautiful granite countertops, and the home has been meticulously maintained. The primary suite is a true retreat with a massive bathroom that includes separate vanities, a Texas sized walk in shower, and two oversized walk in closets that provide incredible storage and functionality. Step outside and the upgrades continue. Full gutters, a sprinkler system, a wood stained privacy fence, and an extended covered side porch create flexible and functional outdoor living space. And then there's the backyard. Installed in 2022, the Latham Bermuda pool with Crystite Classic Blue finish is a true showstopper. It features built in LED lighting, dual deck jets, and an automatic chlorine system for easy maintenance. The extensive landscaping, custom outdoor entertainment and BBQ area, and pergola create a private retreat that feels more like a resort than a backyard. It is easily one of the most impressive outdoor living setups you will find in the area.
