SINGLE FAMILY, 4 BEDS, 3 FULL BATH(S)

This charming four bedroom, three bath home is known for its intelligent use of space and now features an even more open living area. The large kitchen granite-topped island opens up to your living room to provide a cozy flow throughout the home. Your dining area features the most charming window you'll ever see. Featuring large walk-in closets, luxury flooring, and volume ceilings - the 2082 certainly delivers when it comes to affordable luxury.
